THE SPIRITUALIST

A PUBLICATION OF PLYMOUTH SPIRITUALIST CHURCH

PASTOR'S CORNER

Greetings, Dear Ones,

I work hard to always keep an attitude of gratitude. I know that no matter what the day brings, I must focus more on the blessings I have received.

Sometimes I hear elevator music coming in from the Spirit World. One of the main songs I hear playing is "Count Your Blessings, Name them one by one. Count Your Blessings, See what God hath done." When I ask the Universe, The Creator, to help me out with something, there is ALWAYS a response somewhere. Wherever I am in the day, once I notice this, I immediately stop and say, "Thank you! Thank you! Thank you!"

Those moments make my heart happy. They bring a smile to my face and a feeling of harmony fills me. I like the way this raises my vibration and energy levels. And then I have even more joy and gratitude to share and pay it forward to others.

Another song Spirit sings quite often for me is "What The World Needs Now is Love Sweet Love. It's the only thing that there's just too little of." I really believe that the vibration of LOVE is the highest in the Universe. I know that LOVE can heal anything! I wish more of you would tune into the "Spirit Good Vibration" station and listen to the positive messages they send out to the "ones they love." You too would smile, smile with a happy heart and have more love and joy to share with others.

I think it is time to be more, to share more with each other. I really do believe LOVE is the answer to all of the biggest questions in the world today. If we all count our blessings each and every day, we will be able to HEAL the world and make it a better place. We can manifest even more abundance of Joy, Love, Abundance, Light, and Enough for all beings.

THE MAGIC OF THE COSMIC PENDULUM

November 20 (Sunday) 1-4 PM

Prepay/Preregister - \$35

At Door - \$45

If you have a pendulum, don't leave home without it. A pendulum can answer a host of questions in your daily life and also your metaphysical and spiritual life. It's a link to your Higher Consciousness and the Universe. Your pendulum can tell you some interesting things: the actual time (to the minute) when you were born, pinpoint root causes of stress and sickness in your body, where there is spirit activity, how long you should meditate, what day to have a fine-weather picnic, deciding on a life partner, and much more. There's more: pendulums and dowsing rods can reveal sacred sites, geo-spirals or energy vortexes – places where healing is accelerated. It can also reveal the best places for you to sleep and meditate. Robert is a member of the American Society of Dowsters and will demonstrate pendulums, dowsing rods, and bounce rods. Participants will receive a 16-page workbook. Bring a pendulum, L-rods if you have them, and an open mind.

Robert Egby is a long-time student and speaker embracing Spiritualism, Metaphysics and Energy. Someone once called him a Radical Spiritualist and he promptly wrote two books with that in the title, and opened a blog -- radicalspiritualist@blogspot.com . In his life Spirit led him out of atheism through an exciting panorama of careers and experiences which Robert summed up in his autobiography "Kings, Killers and Kinks in the Cosmos: Treading Softly With Angels Among Minefields."

He now resides in Chaumont, northern New York, where he teaches spiritual philosophy and writes and publishes "uplifting" books at www.threemilepointpublishing.com .

MEET AND GREET YOUR SPIRIT GUIDES CLASS

WITH PASTOR ROBIN HIGGINS

Wednesday, November 2

6:30–8:30 PM, \$25

All Spirit work needs a good foundation. Get to know the team of spirit guides who are working with you.

As healers, practicing all types of mediumship work, or in our day-to-day lives, we must tap into this source to help, teach, guide, and protect our gifts. Having a clearer channel to these guides will not only help you to feel better connected to the Source, but will also develop relationships allowing greater understanding of messages from those who assist us! Class includes a guided meditation led by Pastor Robin, followed by a group discussion/Q&A time. The class is interactive and great to do again and again. Each time you do this type of meditation, more is revealed! Please bring a notebook or journal. Contact Pastor Robin with questions!

MEAL AND A MESSAGE

Sunday, November 20

Thanksgiving!

Following the service, stick around for good food, great friends, and an uplifting message from a PSC Medium. For the meal and a message: PSC members \$12, friends \$15; Message only \$10; Meal only \$5. *Bring a dish to pass and eat for free!*

Tree Trimming and Cookie Exchange

Sunday, November 27

Get in the Holiday Spirit! Immediately following service, help put up and decorate the tree and sanctuary. Bring a dozen cookies to eat and a dozen or more to exchange. Festively fun!

*Shamanism 101 “Awaken and Engage”

Saturday, November 19, with Robin Wind (aka Pastor Robin Higgins), 9 AM–5 PM, \$150

The purpose of this full-day, 8-hour workshop is to begin the process of transformation. It is designed to awaken the inner healer in you and hopefully answer the deeper “yearning of your soul.” It is for those who want to serve the planet and all the creatures we share it with. This will bring a greater understanding and spiritual awareness while serving the Spirit World. We will share the ancient traditions and stories that have been shared with me by Robin Wind’s teachers, and also explore the sacredness and the deep respect a person must have for self, for humanity, and the commitment to this life-long process. We will prepare ourselves for a “vision quest” aka an astral travel session. We will journal with our higher self and our Spirit Ancestors to seek understanding of our intention. Together we will discover how to cultivate the “heart power” to bring our visions into manifestation. *Space is limited!
